In working with [] to prepare talking 25X1
points for your meeting with the SIGINT Exploitation
Ad Hoc Group (SEAHG) at NSA on 11 March, I have been
in contact with [] office and have receive 25X1
further guidance. They are apparently looking for you
to present to the group your views of the key intelli-
gence issues and requirements facing the US Government
in the future to which SIGINT may be able to respond.
Following this is to be an informal round-table
discussion on the implications of these issues on
SIGINT systems.
